Confirmation of residential address form

This document **MUST** be completed for each application where our accepted criteria for proof of residential address cannot be met.

In the event of a joint or multiple applications, please submit one for each account owner.

We understand that in certain circumstances it is difficult to provide proof of residential address to satisfy our anti-money laundering requirements. This can be a particular problem in territories which do not have a postal delivery system, but the regulations to which we are subject, do provide a number of alternatives in recognition of the international nature of our business.
